

## REQUEST FOR ACCOMMODATION FORM (CONFIDENTIAL)

Completion of this form is the initial step in processing a request for an accommodation under <https://www.wisconsin.edu/regents/policies/discrimination-prohibited/>. An accommodation is a reasonable modification or adjustment to the job application process or work environment that enables a qualified individual with a disability to be considered for a position, perform the essential functions of a position, or enjoy the same benefits and privileges of employment as are enjoyed by non-disabled employees.

If it is not clear whether you are eligible for accommodations under the Americans with Disabilities Act (ADA)(<https://www.ada.gov/>), you may be asked to sign a release that permits the Universities of Wisconsin to discuss your medical condition with your healthcare provider. Having a medical condition alone is not enough to make you eligible for accommodations under the ADA. Under the ADA, an individual is defined as a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such an impairment.

The ADA requires the Universities of Wisconsin to keep medical information confidential, however, the law allows certain individuals to be informed of your condition as needed. These persons can include your supervisor(s), HR staff, and other individuals with a need to know.
