Sue Buth, Director, Office of Policy Analysis & Research
Angela Kellogg, Senior Academic Planner, Office of Student Success

1:15-3:40 p.m.

Concurrent Sessions: Participants will select one session to attend from each time slot. Each session will include a brief overview by EAB, campus examples, and Q&A in the large group, followed by breakouts for small group discussion.

1:15-2:25 p.m.

Training Stakeholder Groups

UW peers will share how they have approached making training for end users scalable and useful on their campus. Discussion then will explore ways to maximize limited resources to make effective training available for diverse stakeholders.
