

## UW System Navigate Early Alerts Discussion December 1, 11 a.m.-noon

---

- UW System early alert data
- Trends
  - What are you seeing in alerts compared to last fall?
  - What are potential factors (e.g. course delivery modes, academic support usage, lack of student engagement), etc.?
- Campaigns
  - Are you using Navigate for Early Alert campaigns? What have been the advantages? Any disadvantages?
  - What other ways do you encourage the submission of alerts (e.g. who, when, how)?
- Outreach/Intervention pathways
  - What is your structure and strategies in addressing alerts? Are they different now than prior to COVID?
  - What has been or would be most effective?
- Early Alert reports in Navigate
  - What are your thoughts regarding the type and quality of data?
- Other
  - Next steps: Additional professional development or resources?
