GENE LEISZ 10:16 AM

Is there a chance that the new date may get moved?

postponing is so much better than moving forward and experiencing performance issues....appreciate the foresight

MARY-ALICE MURASKI

10:18 AM

We would like to ask that a backup date be set & announced with all future upgrades

LISA LANDGRAF

10:18 AM

Good idea Mary-Alice!

PATRICIA FELLOWS

10:18 AM

Agreed

APRIL PIERSON

10:18 AM

Yes

JOHN THOMSON

10:18 AM

Regarding communicating earlier: it would have been nice to know that there was a possibility of the cancellation before the call was made... even a few hours in advance

JANE HENDERSON

10:19 AM

we have waited to announce next week until after tomorrow's meeting

GENE LEISZ

10:19 AM

Definitely

JOHN THOMSON

10:19 AM

It would have helped us plan to hold back some communication to our campus. Having to flip flop makes us look a bit incompetent as a team.

MARY-ALICE MURASKI

10:20 AM

Agreed John - I had just placed a news announcement then within an hour I had to change it

CARIANN MATHWIG RAMSEIER	10:20 AM

MARY-ALICE MURASKI	10:22 AM

MARY-ALICE MURASKI	10:22 AM
Take it away Molly!	
LORNA WONG	10:23 AM
many campuses submitted - but only one campus indicated term ending on 16-17, others were all into the next week	
PATRICIA FELLOWS	10:24 AM
Great job!	
APRIL PIERSON	10:25 AM
All reps should be in there.	
REGINA NELSON	10:26 AM

MARY-ALICE MURASKI	10:27 AM

Information Technology Management Council - it includes all IT 'groups' across all UW campuses

PATRICIA FELLOWS

JOHN THOMSON	10:46 AM
Might the demo be open to LTDC Friends?	
PATRICIA FELLOWS	10:46 AM

JANE HENDERSON	10:47 AM

THOMAS ARENDALL

10:48 AM

MARY MIELKE

10:48 AM

absolutely - not punitive and instead a teaching tool

PATRICIA FELLOWS

10:49 AM
