   INSTITUTION TERM TABLE DATA

```
--------------------------------------------------------------------------
| DEFINITION:                                                            |
|       Institution may have different calendar systems (e.g. quarter    |
|       or semester terms) at different points in time.  This element    |
|       identifies the institution associated with the term data.        |
--------------------------------------------------------------------------

--------------------------------------------------------------------------
| CODING REQUIREMENTS:                                                   |
|       A valid institution based on the UWS CDR coding scheme.          |
--------------------------------------------------------------------------

-- TERM-UPDATE-TIME --   TIS0363

TRANSFER INFORMATION SYSTEM
TERM TABLE DATA

| DEFINITION: |
| The last time that the term data was modified. |

| CODING REQUIREMENTS: |
| Will be modified whenever the term data is changed. |

| VALIDATION CRITERIA: |
| NONE. |

| TECHNICAL CONSIDERATIONS: |
| FILE NAME : TIS-TABLES   LENGTH: 0.00 |
| FIELD NAME: TERM-UPDATE-TIME   FORMAT: T |

                    -- TERM-ACADEMIC-END-YEAR --   TIS0364

    TRANSFER INFORMATION SYSTEM
    TERM TABLE DATA

    | DEFINITION: |
    | The last academic year that the institution used |
    | the associated calendar type. |

    | CODING REQUIREMENTS: |
    | For TIS purposes the academic year begins in the fall and extends |
    | through the summer. |
    | The year is given as follows: |
    | "198990" = The 1989-90 academic year, beginning in the fall |
    | of 1989 and extending through the summer of 1990. |

    | VALIDATION CRITERIA: |
    | NONE. |

    | TECHNICAL CONSIDERATIONS: |
    | FILE NAME : TIS-TABLES   LENGTH: 6.00 |
    | FIELD NAME: TERM-ACADEMIC-END-YEAR FORMAT: A |
