

**SYS 346.1 Example: Intellectual Property Agreement (Short Form Version)**

Please read the paragraph below and formally acknowledge the requirement by checking the "I agree" box and submitting this form.

If I participate in research at the University, I agree to follow UW System's and the University's research policy and federal law in the conduct of such research. As required by the federal Bayh-Dole Act, UW System and University policy, I agree to promptly disclose any invention I make in the course of my University employment through the University's invention disclosure process. If an invention arises from a project that is funded in whole or in part by a federal agency or which is otherwise subject to an agreement requiring University to grant rights in the invention to a third party, I hereby assign my rights to such invention to the University's designated patent and intellectual property management organization, and agree to cooperate in assuring that the University's contractual obligations to the funding agency or other third party are met.
