**January 10, 2025**

Below, please find a listing of all new and revised UW System Administrative policies approved between December 6, 2024 and January 10, 2025. There was one (1) revised UW System Administrative Policy.

**I. Revised UW System Administrative Policy**

- [SYS 121, \*Professional Licensure and Occupational Certification Programs: Determining Student Location\*](#) (approved January 3, 2025)
  - Summary of Policy and Policy Revisions
    - In accordance with federal regulations, universities are required to disclose state-specific professional licensure and occupational certification information to students or prospective students based on the state in which a student is located. This policy is necessary to provide a general structure under which universities shall determine a student's location. Adherence to federal regulations is a condition of Title IV eligibility. The following policy revisions were made:
      - Updated the policy title to include "and Occupational Certification."
      - Throughout the policy, language was updated to reflect the current state of the regulation, as the policy was originally drafted when the regulations were new.
      - Throughout the policy, replaced the term "institutions" with "universities."
      - Throughout the policy, replaced "professional licensure" and "professional or occupational licensure" with "professional licensure and occupational certification."
      - In Section 5, a definition for "Time of Enrollment" was added.
      - In Section 5, the definitions of "Location" and "Professional Licensure or Certification Program" were revised and expanded upon.
  - University Comments and Concerns
    - There were no comments or concerns received from stakeholders during the 60-day university review period.
