## Overload Request Form for Faculty/Academic Staff/Limited Appointee Employees

An Inter-Institutional overload occurs when an individual holding an appointment at one UW institution (Institution A) exceeds 100% employment by providing services to another UW institution (Institution B). Prior approval by both institutions is required for services that exceed \$1,000 or services that are recurring. Institution B prepares the Inter-Institutional Employment Overload Request Form and forwards to Institution A to review. If both institutions approve, Institution B establishes a separate appointment with an appropriate position title and pays the employee on payroll.

For non-recurring services that are less than \$1,000, Institution B establishes a separate appointment with an appropriate title and payrolls the employee directly on the payroll. No overload approval is required, but the institution should contact the home institution so they are aware of the work being performed.

PLEASE NOTE: If Institution B intends to transfer funds to Institution A as a part-of-load payment for the employee's services, an Inter-Institutional Agreement (IIA) should be processed using an Inter-Institutional Agreement (IIA) Form, **not an InterInstitutional Employment Overload Request Form.**

The only exception to this restriction is where the arrangement has been specifically provided for in the award or approved in writing by the sponsoring agency.)
